MAILED

Application No. 09/801,612

APR 02 2007

PAT. & T.M. OFFICE  
BOARD OF PATENT APPEALS  
AND INTERFERENCES

ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

This application was electronically received at the Board of Patent Appeals and Interferences on January 18, 2007. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the examiner. The matter requiring attention prior to docketing is identified below.

On July 18, 2006, the examiner mailed an examiner's answer. A review of the file reveals that the "Evidence Relied Upon" section paragraph (8) is missing.

Before further review, the examiner must mail a PTOL-90 that will include in the Evidence Relied Upon section, the list of references mentioned in the statement of rejections. See the

Application No. 09/801,612

Manual of Patent Examining Procedure, (MPEP) § 1207.02.  
Appropriate correction is required.

Accordingly, it is ORDERED that the application is returned to the Examiner to:

- 1) issue and mail a PTOL-90 having the missing references listed under the Evidence Relied Upon section, heading (8) of the Examiner's Answer; and
- 2) for such further action as may be appropriate.
